

Pike County Housing Authority
Trespass Policyⁱ

Introduction

This section explains the components of the Pike County Housing Authority's (PCHA) trespass policy, based on HUD regulations, State of Illinois statutes, and PCHA policy decisions.

HUD provides no guidance on the subject of trespass. Therefore, it is up to the PCHA to have specific policies in place to deal with the issue in a legally sound manner.

PCHA policies related to trespass are broken out into 5 sections:

Section I: Residents Right to Guests and Visitors. This section describes PCHA's resident's rights to have guests and visitors.

Section II: Authorized Persons. This section describes what persons are considered authorized to enter the premises of PCHA property.

Section III: Unauthorized Persons. This section describes what persons are NOT considered authorized to enter the premises of PCHA property.

Section IV: Criminal Trespass. This section defines criminal trespass, describes what criminal trespass is, who is subjected to that status, and how long the status remains with the person.

Section V: Criminal Trespass Appeals. This section describes the resident's right to appeal the criminal trespass status.

Section I: Residents Right to Guests and Visitors

I.A. Overview

The PCHA has substantial and meaningful ties to the residents of public housing and the surrounding communities. For this reason, it is essential to establish policies that protect the right of tenants to have visitors and provide the PCHA with a tool to keep disruptive and dangerous persons off of housing development property.

I.B. Guests and Visitors

PCHA Policy

PCHA residents have a right to have both visitors and guests to their public housing unit. A visitor is an individual who is not being provided accommodations (staying) in the unit. A guest is a person who is being provided accommodations (staying) in the unit. The resident is responsible for the behavior of both visitors and guests. Both visitors and guests must conduct themselves in a manner that is not in violation of the tenant's lease.

I.C. Approval of Guests and Visitors

PCHA Policy

All guests staying longer than 7 days require prior written approval of the PCHA since they are being provided accommodations (staying) in the unit. If a guest is staying longer than 14 days they will be reviewed by PCHA to determine as to whether they should be included in the residents household. Visitors do not require prior written approval of the PCHA since they are not being provided accommodations (staying) in the unit.

Section II: Authorized Persons

II.A. Authorized Persons

PCHA Policy

Entrance to PCHA property is restricted to PCHA residents, their household members, authorized guests, and visitors entering with the resident's permission, as well as PCHA staff, commissioners, PCHA agents, contractors, security and law enforcement officials carrying out official PCHA or law enforcement business.

II.B. Visitors Entering with Resident's Permission

PCHA Policy

The PCHA will not require written notification from the resident when a visitor is expected, but the PCHA will seek a resident's approval of a visitor's presence at the time when a visitor is observed on the property. If the PCHA is unable to confirm the tenant's approval of that visitor, they will be required to leave the property.

Section III: Unauthorized Persons

III.A. Unauthorized Persons

PCHA Policy

The following persons are not authorized to enter the public housing property:

- Visitors who do not have the approval of the tenant to visit their unit.
- Residents without valid identification.
- Residents or persons who have been previously convicted for Criminal Trespass on any PCHA property.
- Evicted from federally assisted housing for drug-related criminal activity.
- Convicted of the production or manufacture of methamphetamine on the premises of federally assisted housing.
- Registered sex offenders.
- Felons convicted of the production of methamphetamines.

III.B. Consequences for Unauthorized Persons

PCHA Policy

The PCHA or its agents will require unauthorized persons to immediately leave the property. If the unauthorized persons immediately leave the property then there will be no further action. If the unauthorized persons do not immediately leave the property then they will be subject to the Criminal Trespass provision in this policy as outlined in Section IV, below.

SECTION IV: Criminal Trespass
