If you want someone to call and talk to us on your behalf about your account, please call the office and give us permission.

We cannot give a definite time for the maintenance when they are doing work orders. They will be there anytime between 9am to 4:30pm on Mondays.

We do not know what days maintenance will be in your town to mow. Just a reminder please make sure if you have anything in the yard pick it up, we do not want to tear up the mowers or your belongings.

RECERTS

We need you to get the information from your Doctors and banks. We are not going to be responsible for getting this information for you.

We also need proof of insurance, what you pay out of pocket and what kind of insurance it is, for those 62 and over or disabled

Without this information your rent may not be calculated correctly.

Bank information is needed from all tenants.

If you are planning to have cable, satellite TV, or internet installed in your apartment, you must call the office first or have the installer call in to the office because there must be a maintenance man there while the installer is there.

Chris and Amber will be in New Canton and Pleasant Hill May 23-27 for recertifications.

Memorial Day

Reminder:

We need to be able to get mail to you. We have been receiving a lot of returned mail. Please make sure you have a mailbox or a Post Office box in order to receive your mail. Make sure that the office has your correct mailing address on file and current phone number. You could be subject to a 30 day notice if we do not have a current address or phone number for you.
