Re: 2017 Capital Fund Grant Certification of Compliance with Public Hearing

This letter is to certify that the IL071 – Pike County Housing Authority will conduct a public hearing in compliance with 24 CFR Part 905. This will be met with the timeline identified below.

7/12/17 – It will be published in our local paper that our 2017 Capital Fund Grant submission will be available for the 45 day comment period beginning 7/19/17 after the 2017 CFP submission draft is approved by the PCHA Board on 7/18/17. All documents pertaining to obtaining the CFP 2017 grant will be available for review at both our office and on our website [www.pikehousing.com](http://www.pikehousing.com).

9/5/2017 – We will hold our Public Hearing at the PCHA office fielding all questions and comments from participants.

After that hearing we will ratify the 2017 Capital Fund Grant submission fully at our 9/21/17 PCHA Board Meeting. We will maintain the 2017 CFP Grant submission after that point at both our office and on our website [www.pikehousing.com](http://www.pikehousing.com) for any further review.

Please let me know if you need anything further regarding this certification or if you have any additional questions.

Sincerely,

*Chris Bruns*

Chris Bruns  
Executive Director
