

**Satellite, Cable, and Internet Authorization<sup>i</sup>**

Resident Name(s): \_\_\_\_\_

Unit Address: \_\_\_\_\_

- It is understood that at some point during the course of Residents leasing of the above dwelling unit that satellite, cable, or internet services may be desired for the household.
- Pike County Housing Authority (PCHA) encourages its residents to add these services to provide entertainment, employment, and educational opportunities.
- While these services are encouraged, there are limitations as to how these services may be installed by the various providers. PCHA’s Satellite, Cable, and Internet Policy, dated 2/23/2022, explains in detail as to how the various service installations are to be done.
- **While the Satellite, Cable, and Internet Policy specifically addresses satellite dishes, it is understood that the installation methods are very similar for cable and internet. As a result, the terms and conditions of the policy shall also apply to cable and internet installations.**
- It is understood and agreed that Residents household is responsible for any damage caused by their chosen satellite, cable, or internet service provider as a result of failure to abide by the terms and conditions of the Satellite, Cable, and Internet Policy, dated 2/23/2022.
- Residents household has been provided a copy of the Satellite, Cable, and Internet Policy, dated 2/23/2022, and hereby agree to the terms and conditions contained therein.
