There will only be one person in the office from April 13- April 15. This person is filling in while the staff is at training. Office staff and maintenance will be gone for this training.

When leaving a payment in the drop box, please make sure it is placed in an envelope.

Credit card receipts will not state what you paid, ex: formal agreement, electricity, deposits, etc. If you have a certain amount that is to go towards a certain item you need to call the office and let us know.

ALL tenants have an entire month to pay rent. Rent is due by 5pm on the last day of the month.

If you have a credit card on file with us that is an automatic payment, please make sure you update your information with the office if you have a rent change.

Be respectful of your neighbors, try to keep noise to a minimum. Please try to get along with them. If you cannot get along with them, do not communicate with them. Ignore them, although it is hard sometimes, the best thing you can do is just to walk away.

Please make sure your account is current. We have been noticing quite a few delinquent accounts. Any account that is 2 months behind will be issued a **14 day** eviction notice. HUD is becoming stricter on how much we can allow on accounts.

Maintenance will be starting to mow soon. So please make sure that anything you have in the yard, such as toys or decorations are not going to be in the way.

Here is another idea for community service. Help out your neighbors by moving their trash cans on trash days. Some of your neighbors may have a hard time moving them back and forth.

Recertification for 2016 will be starting in April. April 25-29 will be Barry and Baylis. You will be receiving a packet of paperwork to fill out. You can return the packet to the office or wait until we come to inspect your apartment to turn in. **Every unit will be inspected. If you have medical deductions to turn in you must have proof.**

If you must move from your apartment, you have to give **30 days' notice** or you will forfeit your security deposit. Example: If you call and say you are moving out the first weekend of the month, you are still responsible for at least 3 weeks of rent because you did not give us 30 days' notice. All landlords expect you to give them at least one month notice before you move out.

EVERY apartment will be inspected.
