May 14th

Mother's Day

May 29th

Memorial Day
(Office Closed)

Security Deposits

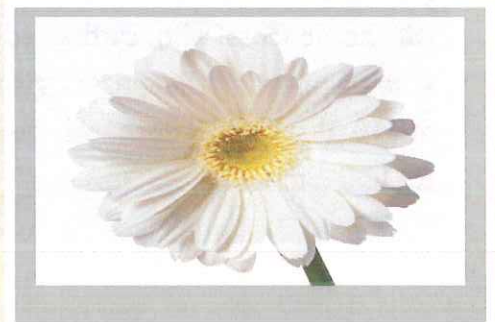

All security and pet deposits are due in full within 6 months of move in date. If these are not paid by the 6 months, these deposits are added to your account and you will receive late fees until the amount is paid in full.

RECERTIFICATION DATES

MAY 22-26: NEW CANTON/PLEASANT HILL

JUNE 26-30: GRIGGSVILLE/PERRY

JULY 24-28: PITTSFIELD

6666

May Recertification

New Canton and Pleasant Hill are the areas for May recertification, this will take place May 22-26. Please make sure your paperwork is in order and filled out when Chris and Amber come around. If you are not home please leave your paperwork on the counter and they will pick it up, or you can bring it to the office ahead of time. If you have any questions about the paperwork after you receive it please call the office. Your unit will be entered if you are home or not.

Thursday May 25th from 10:00 am - 2:00 pm
there is a Resource Expo for Seniors and Persons with Disabilities at the Quincy Senior and Family Resource Center at 639 York St, Quincy, IL. There will be vendors with cutting edge information, live entertainment, raffle prizes, giveaways, door prizes, 50/50 drawing. Lunch will be served from 11 am to 1:30 pm

Guests are allowed for 14 days every 6 months. If you decide to allow someone to live in your apartment without prior authorization from the office, that is a violation of your lease and could result in an eviction.

Please make sure your guests are staying for the allowed amount of time and are being respectful towards your neighbors.

Mowing

The mowing season has started so please make sure all toys and other outdoor belongings are picked up. We don't want to damage the mowers or your belongings. There will be a \$15.00 charge if the maintenance has to do the yard clean up.

Flowers

You can plant flowers as long as they are next to your apartment. Keep all planters and other outdoor decorations away from the sidewalk.

Pools

You are allowed to have a small PLASTIC pool but it must be dumped out after each use. We require this due to insurance and safety issues.

Final electric bills are due by May 31st, if you haven't already paid them. If you find that you will not be able to pay your electric bill in full by the due date you are able to enter into a formal repayment agreement.

Don't forget to give a "shout out" about your neighbors or yourself. We are wanting to showcase those who have made any recent accomplishments. Anything you want us to know, we want to hear, and we want to "shout it out"!

WHEN YOUR BUILDING GOES SMOKEFREE, WILL YOU?

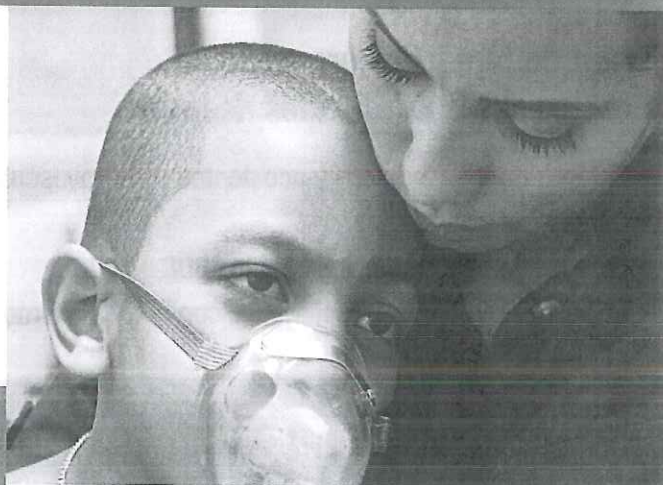

Quitting smoking improves your health. It lowers your chances of getting:

- Heart disease and stroke
- Cancer
- Lung disease, including COPD
- Other smoking-related illnesses

"You have the power to make the decision to quit smoking. Some of the best things for me about quitting are enjoying food again, and being able to walk and not feel so out of breath."

Tiffany

*Smoked a pack a day for 15 years.
Now ... smokefree.*

Secondhand smoke contains poisons.

Breathing even a little can be harmful; especially for kids, older people, and those with health problems made worse by secondhand smoke. Smokefree policies protect everyone's health.

CUANDO SE PROHÍBA FUMAR EN SU EDIFICIO, ¿DEJARÁ DE FUMAR?

Dejar de fumar mejora su salud.
Reduce sus posibilidades de tener:

- Enfermedades cardíacas y accidentes cerebrovasculares
- Cáncer
- Enfermedad pulmonar, incluida la EPOC
- Otras enfermedades relacionadas con el tabaquismo

“Usted tiene la capacidad de tomar la decisión de dejar de fumar. Para mí, algunas de las mejores cosas de dejar de fumar son disfrutar la comida de nuevo y poder caminar sin sentir que me falta el aire”.

Tiffany

*Fumó un paquete diario por 15 años.
Ahora... no fuma.*

El humo de segunda mano contiene sustancias tóxicas.

Respirarlo aunque sea un poquito puede ser perjudicial; especialmente para los niños, las personas de edad avanzada y aquellos con problemas de salud que empeoran con el humo de segunda mano. Las políticas que prohíben fumar protegen la salud de todos.
