AMEREN SCAM

If someone comes to your door and says they are from Ameren make them show you the proper identification or let them know you will call the police.

You do not have to talk to these people. The office will never send anyone to discuss with you about switching your electric providers, nor will Ameren.

SECURITY DEPOSITS

The revised security deposits have been posted to all tenant accounts. The amount you owe, if any, is not due until the end of November. You probably will want to make monthly payments to take care of this amount quickly. If at the end of November you still need more time we will gladly allow you to enter into a formal repayment agreement.

We are still looking for a resident commissioner for the PCHA Board. The term would last until June 30, 2019 and at that time the individual would be evaluated whether they would like to stay on or be kept as commissioner. Please call the office if you are interested.

would like tenants to know not to

harder for her to deliver your mail.*

*If you are nailing anything into the

We have discussed several times

Recently HUD was on site to review files and records of ours. They did not like how we presented the lead based paint form. Evidently there was a misunderstanding about how it was to be completed and so we sent out new forms to the affected people.

Please sign and return these forms as soon as possible. Although the issues were minor, we still encourage those tenants with children living in apartments built before 1978 to have your children tested for lead. If you would share those results with us, we would greatly appreciate it.

If you have any questions about if your unit is involved please do not hesitate to call our office.

Thank you for your cooperation in this matter.

Grilled Cheesy Ham Supper Foil Packs

Prep
30 MIN

Total
30 MIN

Servings
4

Ingredients

- 1 slice cooked ham, 1/2 inch thick (about 1 lb), cut into 4 equal pieces
- 2 cups refrigerated new potato wedges (from 1 lb 4-oz package)
- 2 boxes (10 oz each) frozen broccoli, cauliflower, carrots & cheese flavored sauce, thawed
- 1 cup shredded Cheddar cheese (4 oz)

Steps

- 1 Heat gas or charcoal grill. Cut 4 (18x12-inch) sheets of heavy-duty foil. Place ham piece in center of each. Top each evenly with potatoes and vegetable mixture. Bring up foil sides so edges meet. Seal edges, making tight 1/2-inch fold; fold again, allowing space on sides for heat circulation and expansion.
- 2 Place packets, seam side up, on grill. Cover grill; cook over medium heat 18 to 23 minutes, rearranging packets several times during cooking, until potatoes and vegetables are tender.
- 3 To serve, carefully open packets to allow steam to escape. Sprinkle each with cheese; close packets and let stand until cheese is melted, 1 to 2 minutes.
