Should something happen to you, we need to know if you have a power of attorney or who you want to take possession of your items. Your family members or friends cannot call here and ask us for a key to your apartment or for us to let them into your apartment without your permission. Please make sure you get this updated information to our office so we can add it to your file. We need either written or verbal permission.

Work orders are done on Mondays. Unless there is an emergency, which is determined by our standards. If you need something fixed make sure you are calling the office so we can put the work order in the computer. Non-emergency work orders are to be completed within 30 days.

We have had few calls from tenants about either electricity problems or water problems. If you have not received a 48 hour written notice from the office about work on electric or water then you will need to call Ameren or your city or town water department to report any problems.
