2015 5-Year Plan Goals - Progress Report

Goal One: Increase the availability of decent, safe, and affordable housing.

Objectives:

- Obtain and maintain occupancy levels at 97% or greater.
 - The PHA fell slightly short of this goal. Average occupancy rate for the last 5 years is 96.54%.
- Maintain designation as HUD High Performer.
 - The PHA has had "High Performer" status once overall in the last 5 years. During that time average PHAS scoring is 86 per year, solidly "Standard Performer" status. PHA for Capital Fund purposes has remained "High Performer" status throughout.
- Renovate/modernize public housing properties.
 - Each year, the PHA is allocated funding through the Capital Fund Program, which is used to renovate/modernize its properties. PHA utilizes this funding each and every year to make improvements designated in its 5 year plan.
- Leverage private or other public funds to create mixed finance or multi-family affordable housing opportunities.
 - Recently, PHA Board has authorized the repositioning initiative for the agency. This approval allows for the planned disposition of 38 units in 3 different outlying communities. This will allow for more centralized and effective management of remaining PHA properties. The repositioning initiative will in the future include the application for Low Income Housing Tax Credit development application to replace lost units in more desirable areas with greater amenities for the benefit of clients. Build back is expected to be equal to or slightly greater than the units lost through disposition.
- Reduce "One Strike" evictions through aggressive screening procedures.
 - PHA has not experienced any "One Strike" evictions in the past 5 years.
- Implement public housing security (police call back) to deter and reduce crime.
 - PHA has not required the use of police call back services in the past 5 years.
- We are seeking a MOU with the Illinois State Police to better address the security needs of our public housing residents and the surrounding communities.
 - PHA still seeks MOU with the Illinois State Police for security needs. ISP is reluctant to sign MOU due to concerns over how the relationship between the entities would be used and beneficial to both parties. Ongoing discussion is still occurring to establish parameters to such an agreement.
- Issue and enforce notices of "No Trespass" to individuals for behavior that threatens the life, health, safety, and peaceful enjoyment of our residents.
 - PHA maintains and enforces "No Trespass" notices and publicly displays a "No Trespass" list at its properties and website of who is banned from PHA properties and the duration of the ban. Terms are scaled as to the severity of the offense or repeated violation of the notice. PHA "No Trespass" list contains less than 10 people overall.
- Provide equal opportunity in housing to all applicants/residents.

- PHA processes Reasonable Accommodation requests in a timely manner to allow equal participation of all in its program. PHA follows all Fair Housing guidelines and directives as established by Local, State, and Federal agencies.
- Return vacant units with new residents within 20 days.
 - PHA provides quick turnaround of its vacant units in order to provide assistance to individuals in need. This turnaround is routinely within the 20 day window as specified, with the exception being those units left in extremely poor condition.
- Provide timely response to resident requests for maintenance problems.
 - PHA has designated one day a week for completion of non-emergency work orders. This clears the slate for repair requests until the following week. Emergency work orders are completed within the 24 hour time frame. Maintenance schedules times for preventative maintenance inspections, which cuts down on repair requests drastically.

Goal Two: Improve community quality of life and economic vitality.

Objectives:

- Seek Network Agreement with the Department of Aging to better address the needs of the elderly/disabled.
 - PHA does not have a network agreement with Department of Aging, however does work closely with them to address the needs of the elderly/disabled.
- Renew Data Sharing Agreement with the Department of Health and Human Services to better serve the needs of low income families.
 - PHA has renewed its data sharing agreement with Department of Health and Human Services.
- Seek Network Agreement with the Pike County States Attorney to better serve the needs of crime victims.
 - PHA still seeks MOU with the Pike County States Attorney. Pike County States Attorney is reluctant to sign MOU due to concerns over how the relationship between the entities would be used and beneficial to both parties. Ongoing discussion is still occurring to establish parameters to such an agreement.
- Renew Network Agreement with the Mental Health Center of Western Illinois to better serve the needs of the disabled.
 - PHA's Network Agreement recently lapsed with Mental Health Center of Western Illinois. PHA will renew Network Agreement with the Mental Health Center of Western Illinois.
- Renew Network Agreement with the West Central Mass Transit District to increase transportation opportunities for those that are low income, elderly, and disabled.
