GFL Waste 3-year Bid Proposal

MARCH 17, 2025

Presented by Shaun Bliven, GFL Environmental

DIVERSE SERVICES

GFL Environmental is fully equipped to solve practically any Solid Waste Management challenge.

- Residential Waste Collection
- Industrial and Commercial Waste Collection
- Recycling Collection and Processing
- Construction Waste
- Landfill Operations
- Environmental Consulting and Waste Audits
- Bin and Container Rental

Green Today. Green For Life.

gflenv.com

DISTINCT BENEFITS

- Local Service & Local Support
- Environmentally Responsible Methods
- Long or Short-Term Waste Management Solutions
- Scheduled or Call-In Service
- Highly-Trained Professional Employees
- Bundled Services to Reduce Costs
- Customer Solutions

SAFTEY

Our **Safe for Life** program is implemented through a management system framework that includes:

- Proactive assessment of risks
- Provision of necessary resources
- Coaching and training
- Adoption of technology/innovation
- Assessment of performance to enable continual improvement

The health and safety of our employees, customers, and the communities we serve is our number one priority, and incorporated into every stage of what we do. GFL's safety culture, 'Safe For Life', reflects our ongoing pledge to the health and safety of every worker, subcontractor, visitor, and member of the public, in every service we provide.

SUSTAINABILITY

OUR FUTURE

GFL recognizes that we play a critical role in providing the environmental solutions needed to transition to a more circular and low-carbon future.

Our Sustainability Action Plan formalizes and broadens GFL's sustainability efforts and will be our guide to:

- Increase the avoided GHG emissions for our customers through the sustainable solutions that we provide. This will be achieved by increasing the resource recovery and recycling solutions that we offer our customers, as well as the beneficial use of landfill gas.
- Reduce the direct GHG emissions from our operations. This will be achieved through higher gas capture rates at our landfills and continuing to pursue opportunities to increase the use of low-carbon fuels in our fleet.
- Increase the sustainable environmental innovations that come from within our business by continuing to identify and invest in our entrepreneurial and innovative culture through our award-winning^[1] Environmental Innovation Program.

We believe the passion and focus that we share with our employees, customers and communities to be Green for Life will return shared value for all our stakeholders.

Green Today. Green For Life.

[gflenv.com](https://www.gflenv.com)

COMMUNITY INVOLVEMENT

GFL proudly provides quality, local service to communities across North America.

- GFL launched the Full Circle Project (FCP) —an exciting **community-driven charitable giving program** that lets you, our customers, decide how a portion of our donations are directed.

Our charities are divided into seven classes, so you can pick the one you feel best represents where you'd like our funds to be spent.

- Animal Welfare
- Cancer and Medical Wellness
- Nature Conservation
- Poverty Reduction
- First Responders and Veterans
- Family Wellness
- Arts, Culture and Education

| P.O. Box 123 | Barry, IL | 41992 | | | | |
| 838 Mason St | Barry, IL | 41992 | 184 | 96-gallon toter | 1 x week | \$ 3,110.00 |
| 1280 Maintenance Building | Barry, IL | 41992 | 1 | 25yd | On Call | \$ - |
| | | | | | | \$ 3,110.00 |

Monthly price includes (1) 25yd Roll off per month/(184) .50yd/ 5% increase in yrs 2 & 3

We ask all Toters be brought to curb side on service days

Invitation for Bids

The Pike County Housing Authority (PCHA) located at 838 Mason Street, Barry, IL 62312 is soliciting bids for waste management services to its various properties located in Pike County, Illinois for the period of 4/1/2025 through 3/31/2028.

The following specifications are relevant to this contract:

Service Location

The contract shall only apply to the properties in Pleasant Hill, Griggsville, Pittsfield, and Barry owned by PCHA. There are 184 apartments in these communities plus administrative facilities, community buildings, and maintenance facilities to be serviced. PCHA properties located in Baylis, Perry, and New Canton are not part of this proposal, but could be added in the future, at the discretion of PCHA.

The Waste Management Company (WMC) will provide a fixed monthly price for each year of the agreement to provide the services listed in this specification sheet for these apartments, administrative facilities, community buildings, and maintenance facilities.

Arrangements can be made to view examples of the entire service area in advance of bid submittal by contacting PCHA.

Service Coverage and Schedule

The WMC will conduct all waste management services on a weekly basis, with the exception of the Barry maintenance facility roll off discussed below.

The WMC shall furnish all trash receptacles required by PCHA. The trash receptacles are to be of heavy duty construction with wheels and attached lids. In the instances that arise where additional trash cans are requested, the WMC may be required to furnish additional containers (at no additional cost), which should be factored into bids. This provision only applies to active locations.

The expected trash receptacle needs for the purposes of this proposal are the following;

Barry

- 54 apartments – 1 per unit
- 1 administrative facility – 1 per building
- 1 community building – 1 per building
- 1 maintenance facility – 1 per building

Note: At the Barry maintenance facility there is a 25 yard roll off container that will need to be provided by WMC and will require frequent dumping at PCHA's discretion. It is expected that

this roll off will require 6 dumps per year, but more may be necessary depending on circumstances (at no additional cost), which should be factored into bids.

Pittsfield

84 apartments – 1 per unit
1 community building – 2 per building
1 maintenance facility – 1 per building

Pleasant Hill

20 apartments – 1 per unit

Griggsville

26 apartments – 1 per unit

Bids are to be for curbside pickup, but PCHA’s elderly/disabled clientele have the ability to make a reasonable accommodation request for pickup/drop off at the unit (at no additional cost), which should be factored into bids.

Required Insurance

The WMC shall furnish evidence with the bid for services of active insurance in the following amounts: Workmen’s Compensation Insurance at a minimum \$1 million, Automobile Insurance at a minimum of \$1 million and Liability Insurance at a minimum of \$1 million per occurrence and a \$3 million aggregate. The WMC is responsible for ensuring that PCHA receives a valid certificate of Liability Insurance listing PCHA as an additional insured certificate holder with notice given upon cancellation.

Fees

All responses must include a detailed fee structure related to the specifications contained in the bid. Fee structure should be all inclusive according to the specifications and should not include per occurrence dumping charges.

Bids will be received until 1:00p.m. on March 17th, 2025 at the PCHA office, 838 Mason Street, Barry, IL 62312 at which time and place all bids will be publicly opened and read. Bids are to be totaled, factoring in all charges, and will not be accepted for individual properties.

PCHA reserves the right to reject any or all bids presented. Failure to include all requested bid documents in the appropriate format, will lead to rejection of that particular bid.

Any questions regarding bids or for additional documents should be directed to Chris Bruns, Executive Director at 217-407-0707 or cbruns@pikehousing.com. PCHA is an Equal Housing Provider and Equal Opportunity Employer.
